DOLBY

EXPERIENCE TRUE WIRELESS FREEDOM

Features

- **True Wireless Bluetooth Connectivity**
Listen to your favorite music using True Wireless Bluetooth technology. That means zero wires, period.
- **One-Step Pairing**
The simplest pairing system for True Wireless Earbuds. Just remove them from their case to pair.
- **Dolby Surround Pro Logic 3D Sound™**
The latest Dolby technology allows for the purest sound quality currently available.
- **Noise-Isolation Technology**
Block outside noise from interfering with your music experience.
- **Portable Rechargeable Battery Storage Case**
The included portable charging case stores and recharges the earbuds allowing for up to 12 hours playing time.
- **Built-in Mic for Calls**
The built-in mic feature enables simple hands-free calling.

Basic Use

- **Power:** Fully charge the earbuds in their accompanying portable charging case. Remove earbuds from case and hold multi-function button on both earbuds for five seconds.
- **Connect:** When earbuds power on they will need 10 seconds to auto-connect to one another. Once they are connected to one another, one earbud will continuously flash red and blue LED lights. Select "POM Gear" from your Bluetooth® pairing settings on your mobile device.
- **Pause/Play:** Press multi-function button once to pause or play your music
- **Calls:** The device features a built in mic for hands-free calling. To Answer or End calls, click multi function button on unit's remote control.
